

Welcome to the 2017 Fall Semester!

The 2017 Fall Semester will begin the week of July 24, 2017 and end the week of Dec 11, 2017 (20 weeks). The calendar, including breaks and holidays, is available on our website [www.QuarterNoteMusic.com](http://www.QuarterNoteMusic.com). Mid-semester pro-rates are available.

A couple of important points:

- *Instructor absences guarantee a makeup lesson or substitute instructor*
- *Student absences: **No Makeups***
- *We do not credit your account or give refunds for missed classes*

Tuition is \$560 for 20 weeks

There are *two* payment options: Please choose which you prefer:

\_\_\_\_\_ "Pay in Full" option = **10% discount:** \$504 due by the first week of lessons

**NO CREDIT OR DEBIT CARD DRAFTS**

**NO EXCEPTIONS**

\_\_\_\_\_ "Monthly Draft" of \$112/month from your checking or savings account ONLY. (**\*NOTE: Payment for first month is due at registration.**) **Drafts will begin the following month.**

\*A Draft Authorization Form AND a voided check must accompany the "Monthly Draft" option.

Payment failure or incomplete registration forms will result in loss of lessons. Lesson time slot(s) will not be held or guaranteed until registration is complete, payment is collected and all required documents are on file.

Once payment has been made for a semester, there will be no refunds should you choose to withdraw your child during that semester. Withdrawal of your child from class will require a 30-day notice and a withdrawal form, or a \$75 withdraw fee will be charged.

We provide an optimal learning environment with limited availability to ensure individual attention. We must therefore strictly enforce our tuition policy, as it is essential in maintaining the highest quality training and standards you expect from Quarter Note Music. Our budget and expenses will remain the same throughout the year, so we cannot give discounts or refunds for any reason.

Thank you for your continued support!

*By signing below, I agree to the tuition terms set forth above. A signed Draft Authorization Form and a Voided check (if "Monthly Draft" is the chosen method of payment) must accompany this agreement.*
